Live Music

*From Bluebell Band, Perido Players & The Pinny Sisters*

The London Brighton and South Coast Railway, from which the Bluebell Railway evolved, began life in the 1840s and it is the Victorian Era that Sheffield Park will depict. Horsted Keynes Station will give a flavour of life during the war years of the 1940s while Kingscote will become 'Kingscote-on-Sea' a 1960s 'Seaside' holiday.
