

"If there is a railway in the next world, it will look like this".

Dave Phillips is one of hundreds of volunteers, past and present, who has helped to save and restore the Bluebell Railway for future generations.

2020

'13 The Duke of Gloucester visits the museum

March '13 Having finally reached East Grinstead, we open the new station in the worst of weather

'17 'Deltic' diesels line up at Horsted Keynes

'19 We even invite the GWR over on special occasions

'19 In 2006 we started a re-build of 'Beachy Head'. We hope to see this beautiful locomotive running in 2021

'20 BR Standard Tank 80151 is the latest locomotive restored in our works at Sheffield Park
